What's funny? Do you laugh at pie in the face? At slipping on a banana peel? Or your favorite episode of Spongebob Squarepants? Work with Mr. Chopp to analyze the first four years of Marina Film Funstival videos, as well as current comics and comedy, in order to write the funniest script for the 2016 Film Funstival. Bring a writing partner or friend- laughter, like pie, is more fun when it's shared.
