### Learn about Marina Village Ohana

Eighth graders are trained to serve as leaders and mentors to incoming 6<sup>th</sup> grade students as well as students in 7<sup>th</sup> and 8<sup>th</sup> grade new to Marina. After being assigned students, leaders contact each new student by phone in late summer.

The purpose of this half-day retreat is to make the transition from elementary school to middle school or from another school a positive one. At the orientation, large and small group activities are designed to address students' needs and concerns in an enjoyable manner.

**Please wear comfortable clothes that allow for easy sitting on the floor, standing and movement.**

**There is no need to bring a backpack or any of your stuff...travel light.**
