

Dropping Off and Picking Up Students

After discussions with our Transportation Department, we must ask your help to ensure the safety of our students. We have asked the students to follow similar guidelines. Below is a map of our parking lot.

☞ Please only drop students off and pick them up in front of the Gym.

Do not drop off or pick up students in the upper end of the parking lot – too many students dart out between the busses.

- ☐ Drive at no speed greater than 3 MPH in the parking lot. (That's about as fast a person walks.)
- ☐ Follow the dashed arrow traffic pattern. (No matter what the person ahead of you does.)
- ☐ Do not drop off or pick up in the red zones on Francisco Drive.

Because you may be running late is no reason to run the risk of injuring someone. If we are all willing to demonstrate a bit of patience, carpool, leave home 5 minutes earlier, or take our turn, we can keep our students safe. Thank you for your help.
